

Desert Sky is a family run backpackers that has been happily operating for over 20 years. In 2025 we will celebrate our 25th silver anniversary! When you arrive, our registration office has plenty of flyers for you to look through. We are registered with the [Namibian Tourism Board](#) and can book many of the fun activities that are in the surrounding area. All activity operators will pick you up and return you to Desert Sky Backpackers. Looking forward to you coming to stay in “Your home, away from home” in Swakopmund.
